madie

sideboards

Appartengono al passato e alla tradizione, ma oggi tornano con soluzioni originali e adatte a ogni tipo di spazio. Le madie aprono una nuova dimensione del design mentre piatti, bicchieri e stoviglie ritrovano casa.

A blast from the past, the sideboard is a part of tradition revived for today's homes with original solutions designed for spaces of all kinds. Sideboards bring a new dimension to contemporary design, while plates, glassware and crockery in general find a new home.
